

RESEARCH SUPPORT POSITION AT INSTITUTO DE INVESTIGACIÓN BIOSANITARIA ibs.GRANADA

The Instituto de Investigación Biosanitaria de Granada (Ibs.Granada) accredited as Center of Excellence by the Instituto de Salud Carlos III

It is offered

Research Support Position (R1), at the Centre for Genomics and Oncology Research (GENyO) in European Project “**Unification of treatments and Interventions for Tinnitus patients (UNITI)**”, funded with European funds from the H2020.

The team is looking for a person interested in working on a research project funded by the European Union (UNITI Project; The biggest clinical study on tinnitus to date) who is interested and experienced in cellular, molecular and physiological techniques in hPSC models to study the role of ANK2 in the pathophysiology of Meniere's patients with severe chronic tinnitus, focused on microtubule reorganization and action potential change during the development of neural progenitors, spiral ganglion neurons and excitatory neurons of the cerebral cortex.

Minimum requirements for candidates:

- Title of Superior Technique in Clinical and Biomedical Laboratory.
- Demonstrable experience, of at least 2 years, in a research laboratory.
- Level of English, spoken and written, B2 or higher.

Aspects to be assessed:

- Experience in.
 - Cell cultures: Stem cells, iPSCs, established cell lines.
 - General techniques in Molecular and Cell Biology (qPCR, WB, cytometry).
 - Sample preparation and Confocal, SEM and TEM microscopy techniques.
- Publications, as first or second author, in first quartile journals.

We offer:

- The position will be financed until the end of the project.
- Full-time contract.
- Competitive salary.

Candidates must apply for the position in our web page indicating the reference “**Contrato 63/2021**”.

Deadline: August, 7th, 2021

Evaluation:

- Academic record of the required degree: 20 points.
- Professional experience in research laboratory related: maximum of 30 points.
- Publications, as the first or second signer, in journals of the first quartile: 2 points will be assigned for each publication, up to a maximum of 10 points.
- English level: 5 points will be assigned to level B2, up to a maximum of 10 points from this level.
- Personal interview: Communication skills, adaptability to the profile searched. Skills and other issues to clarify not specified in the CV will be assessed. The maximum score is 30 points.
